

Lindenwood University Table Tennis Team

The Lindenwood University Table Tennis program was created in April, 2008 and has established a great tradition of success! The coed team finished second at the National Collegiate Table Tennis Association (NCTTA) Collegiate Championship in 2010 and 2011. The women's team won the national championship in 2010 and finished second in 2011. Lindenwood University also captured the women's doubles championship in 2010 and 2011. In 2014, the Lindenwood University table tennis team was ranked third in the nation.

Table Tennis Scholarships

Institutional grants and scholarships are based upon, but not limited to, scholastics, athletics, co-curricular activities, and leadership based initiatives. Each student-athlete will be provided with an individualized financial strategy based upon the whole person.

Lindenwood University recruits all level of players from 500 USATT rated up to 2600+ USATT rated. Lindenwood Table Tennis is an open program. Anyone attending Lindenwood University may participate in our team. **If you are interested in joining our team, please contact the Head Coach for more information.**

Table Tennis Tournament Travel

The Lindenwood University table tennis team travels to numerous tournaments each season. The University pays for team members to compete in approximately 10-15 tournaments per school year including NCTTA tournaments, covering airfare/bus transportation, meals, hotel, and tournament registration fees.
