Lindenwood University in St. Charles, Missouri has a long history of excellence in academics and athletics and we are currently looking to expand our collegiate table tennis program. Financial assistance is available for table tennis players at **all levels** of play.

Lindenwood is a dynamic four-year liberal arts institution, located in the St. Louis metropolitan area. It offers more than 120 undergraduate and graduate degree programs to approximately 15,000 students. Lindenwood is an independent institution firmly rooted in Judeo-Christian values.

The table tennis program was started in April 2008. Lindenwood has 18 Butterfly Centrefold 25 tables and two Butterfly Amicus 3000 Plus robots. The university pays for team members to compete in approximately 8-10 USATT-sanctioned tournaments per school year.
